**Time:** 12:50 AM

**Location:** 5430 Birdwood

**Offense:** Robbery - Threat

On Monday June 11, 2007, at approximately 12:50 A.M., the victim had just driven into an apartment complex parking lot and was standing by his car talking on his cellular telephone when he was approached by two young black male suspects dressed in all black clothing riding a bicycle that asked him where a gas station was. The victim started to answer when both suspects started hitting him in the face and jumped on him and took his wallet and cellular telephone. The victim started yelling for help and the suspects told him that they had a gun and made him get into the passenger side of his own vehicle.

The heavier suspect then drove his car while the other suspect sat in the back seat behind him and they took the victim to an ATM machine nearby where they forced the victim to use his debit card to make two withdrawals for four hundred dollars each. The suspects then forced the victim, who was very frightened, back into his car and drove him about seven or eight blocks away where they let him out of his car. The suspects kept the victim's ATM card and cellular telephone and then stole his car and left. The victim's car was recovered the next day on June 12, 2007 at 1700 Texas Parkway in Missouri City, Texas.
